COURANT M 124,441 \$ 169,428 JUL 26 1965 Let's Get the Facts About the UFOs To the Editor of The Courant: With the delay in the release of the Mariner Mars photos, as The Courant recently pointed out, seemingly unjustified, on a scientific basis, there may be a more important reason in-While, as a recent volved. Courant : article headlined, UFO Reports Pour In From All Over Globe,' release of the later pictures, which were programmed to travel over canalsuspect regions, with geometrically - exact canal - like markings, if indeed such canals exist, would certainly cause quite a bit of apprehension. Who would fail to see the possible. connection between the two. Even the possibility that the photos, when released, will be retouched so as to de-emphasize any such markings, cannot be considered remote when one realizes the extent to which the existence of UFOs has been covered up by the Air Force, which, in this case, may be only a puppet of a higher agen-As Vice Admiral Roscoe H. Hillenkoetter, former director of the CIA, has said. "Be-Air Force officers are soberly concerned about UFOs. But through official secrecy and ridicule, many citizens are led to believe the unknown flying objects are nonsense. Hundreds of authentic reports by veteran pilots and other technicallytrained observers have been ridiculed, or explained away as mistakes, delusions, or hoaxes. The Air Force has assumed the right to decide what the American becole should or should not know. It is time for the truth to be brought out in open congressional bearings." Those desiring a release of the true facts should write to their congressmen, urging congressional hearings on the Air Force handling of the UFO sub-Mickey Epstein Declassified in Part - Sanitized Copy Approved for Release @ 50-Yr 2014/06/12 : CIA-RDP68-00046R000200090003-6
